**PLEASE TAKE A MOMENT & READ THESE RULES & REGULATIONS BECAUSE THEY MAY AFFECT YOU OR YOUR FAMILY DURING THE SEASON!!!!**

No basketballs or any other balls will be permitted in the gyms. Your coach will provide balls for practices and games. If you are seen with a ball, the ball will be confiscated until the end of the season so please do not bring them into the gyms. We ask the parents to please enforce this with your player and siblings.

We are only allowed in the areas that are designated for practices and games. Do not allow anyone to roam in the hallways or any other part of the building. No one is to be in the auxiliary gym. **If we see you in these areas, you will be asked to leave the premises and then will be suspended from the next game. If you are on a travel team, you will also be suspended from that game.** Parents must know where their children are at all times. Siblings or friends are not to be left with players and coaches during practices or games.

Any spectator ejected from a game, must leave immediately or the game will not continue and that person is not permitted to attend the next game.

Only water is to be brought into the gyms. If you have another drink, it will be thrown away without any notification. This includes coffee, Gatorade, soda, etc. All players must attend the fundamental mania sessions. If you are unable to make both sessions, please call the league before your session @ 856-875-7887 and leave a message. If you are injured, you must still show up. If any player is not checked in for either session, you will not be drafted on a team and there will not be any refunds.

No one is to be playing in the middle of the high school gymnasium while games are going on. This includes players, siblings, friends, and parents. There is to be no "shooting around" between games or time outs.

No uniforms can be altered in any way(except cutting off sleeves).

Travel players must inform the league prior to their division's last fundamental mania if they plan on playing both town or travel or opting to play just travel.

**All FANS** should show good sportsmanship towards coaches, players, and referees.

**JUST A REMINDER, THERE WILL BE ABSOLUTELY NO REFUNDS FOR ANY REASON!!!!!!!!!!!!**
